SINCE TAKING K. R. R. HASN'T MISSED A DAY'S WORK

Here is a testimonial of a man who, after three long years of pain and suffering from rheumatism, was cured, although he had given up all hope of ever being strong and well again. Read this letter: "March 22, 1916. I had been troubled with rheumatism for the last three years. Nov. 1915, I was laid up for 15 days. Could not turn over off my back, the doctors did very little for me. If any. This winter I received one of your bottles of K. R. R. and it worked hard every day, have not had a day on account of rheumatism. I feel better this winter than I have for the past five years. The rheumatism never bothers me any more, and I am out in all kinds of weather. Hoping every one that is troubled with rheumatism will use K. R. R. Remedy, because I know what it did for me." (Name on request.)

If you have just begun to suffer from rheumatism—or if you have been a slave to it for years—you can now be freed from all your pain and suffering by putting your complete faith in this rational remedy. K. R. R. is not a heart stimulant, contains no narcotics—and cannot harm any part of the body in any way. Won't you try just one bottle of this remarkable remedy? A bottle at your druggist or from us, at a K. R. R. booklet. Address: K. R. R. Remedy Co., Louisville, Ky.—and

HENRY L. PERRY & SON
Richmond, Ky

Cottonburg

Mrs. John W. Teater spent Sunday with Mrs. J. N. Hendren. Mr. and Mrs. Squire Sanders entertained a number of relatives at dinner Sunday.

Mr. and Mrs. J. F. March, of Richmond have been visiting Mr. and Mrs. O. A. Hendren.

Mr. and Mrs. R. C. Schooler and children, of Lancaster, were visitors here Sunday.

Mrs. Walter Sanders and children have been visiting Mrs. J. Robert Sanders.

Master Russell Hendren has been visiting his grand father in Garrard county.

Misses Florence and Odessa Price were in Lexington shopping last Saturday.

Mr. and Mrs. Elzie Collier have been visiting his parents, Mr. and Mrs. Marion Calico.

Miss Hallie Hamm, of Richmond, spent the week-end with home folks.

Mrs. Raymond Long and Miss Velma Long, of Richmond, have been visiting relatives here this week.

Mr. and Mrs. Henry C. Whittaker, of Richmond, were called here to see her mother who is seriously ill.

Miss Maude Teater, who is attending school at Richmond, is at home for the week-end.

Miss Mamie Calico is spending the week-end with her parents.

Misses Emma and Bessie Ray Sanders have been visiting Miss Myrtle Hendren.

Miss Beulah Hendren has returned home after spending two weeks with Mrs. Cecil Broadbush.

Mrs. Bettie Agee, who is spending a few weeks with her daughter, Mrs. Rufus Sebastian, had the misfortune of falling and breaking her hip bone last Sunday night. She is in a very critical condition now and hopes for her recovery are very small. She is 86 years old.

Mary Alice, the little daughter of Mr. and Mrs. Roy Taylor, was taken to the Gibson Infirmary where she underwent an operation for appendicitis.

Mr. John Burton, who has been very ill, is slowly improving.

FOR SALE.

House and lot located on East Main street in the city of Richmond, Ky. For particulars apply to this office. 15 tf

A TEXAS WONDER

The Texas Wonder cures kidney and bladder trouble, dissolves gravel, cures diabetes, weak and lame backs, rheumatism and irregularities of the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment, and seldom fails to perfect a cure. Send for sworn testimonials. Dr. E. W. Hall, 2926 Olive street, St. Louis, Mo. Sold by all druggists 42 tf

Let the Good Work Go On.

Reports indicated that up to the first of last year, more than a quarter of a million of Southern negroes had moved into Northern States. Never in the history of the country has the migration been so heavy. The influx of these Southern negroes has already brought serious problems to Northern cities, including Cincinnati.

Spring Colds Are the Worst

They lead to catarrh and pneumonia. They weaken the entire system and leave it unable to resist the sudden changes. They interfere with your digestion and lessen your activity. Neglected they soon become that dread disease known as systemic catarrh. Don't neglect them. It's costly as well as dangerous.

PERUNA Will Safeguard You

Have a box of Peruna Tablets with you for the sudden cold or exposure. Tone your system up with a regular course of the liquid Peruna, fortify it against colds, get your digestion up to normal, take care of yourself, and avoid danger. If you are suffering now begin the treatment at once. Give Nature the help she needs to throw off the catarrhal inflammation, and again become well. Peruna has been helping people for 44 years. Thousands of homes rely on it for coughs, cold and indigestion. It's a good tonic for the weak, as well.

The Peruna Company, Columbus, Ohio

I. O. O. F. LODGE OFFICIAL TALKS

Frankfort Chaplain Tells of Two Months' Trial.

"FEELS LIKE A NEW MAN"

There may be someone in Frankfort better known than W. F. S. Brawner, Past Grand Chaplain of the I. O. O. F. Kentucky jurisdiction, but it's safe to say that Mr. Brawner counts his friends by the thousands.

For fifty-five years a prominent member of the Baptist church, he is

W. F. S. BRAWNER.

at present chaplain of Lodge No. 23, I. O. O. F., of which he has been a member for forty years.

"I was weak, run down and nervous following a spell of bad health," said Mr. Brawner. "I had pains through my chest at times that caused me a lot of trouble."

"Nervousness set in, and I couldn't sleep well at night. The least little noise would wake me up, and that meant I would lie awake the rest of the night."

"I got so I couldn't enjoy a meal. Food that used to make me almost eat my head off didn't tempt me. The boys at the lodge asked what was the matter with me."

"Well, I couldn't tell exactly. I was just half-sick and all-in. My brother-in-law got me to try Tanlac. I didn't have much faith in it, but I consented to try it."

"Well, sir, it's remarkable what Tanlac has done for me. I've been taking it for about seven or eight weeks and I feel fine. When I sit down to the table you can be pretty sure that I'm going to eat everything that is put in front of me."

"I sleep sound every night, and my sleep rests me. I really can't say enough for Tanlac."

"If you don't feel right get Tanlac today. Delay in health matters is dangerous."

Tanlac can be obtained in RICHMOND at PERRY'S DRUG STORE.

Tanlac can be obtained at the following nearby cities: College Hill, Ginter Bros.; Irvine, Irvine Drug Co.; Berea, S. E. Welsh; Paint Lick, J. N. Metcalf; Winchester, Duty Drug Co.; Winchester, R. R. No. 2, Mrs. S. E. Young; Nicholasville, Hutchinson Drug Co.; Little Hickman, Collier & Bruner; Lancaster, R. E. McRoberts; Bur, W. M. Owens; Mt. Vernon, Chas. C. Davis; Silver Creek W. C. West. 1f

Land, Stock Crop

Scarcity in draft horses is indicated by an advance of from \$75 to \$100.00 in the value of choice ones.

Will Boggs, of Red House, sold a saddle mare to Clark county parties last week for \$400.

It is now time to select and prepare live stock for exhibition at summer and fall fairs. Don't wait up to within ten days of the fair to prepare your stock and then expect them to win the first ties. Show stock needs attention and lots of it.

At a recent sale of Percheron horse at Chillicothe, Mo., an average of \$492 was received.

Work horses and mules are scarce in Central Kentucky, according to reports. Within the past week we have heard of several persons wanting to purchase work horses, but could not find desirable animals.

James Wilson & Son, of Avoca, Ia., recently sold 54 head of Poland Angus cattle at auction at \$392 a head.

Thirty head of Shorthorn cattle averaged \$386 at the sale of M. L. Andrews, at Melbourn, Iowa.

Let us hope that, at the present price of seed an increased acreage, will mean an increased yield.

Gather the eggs often. Keep them in a cool place away from grease, onions and bad odors. Grease and bad odors soon spoil them.

Infertile eggs are produced if the roosters are kept away from hens.

The past two weeks have been busy ones for the farmers in the tobacco growing belt. The backward season has caused much anxiety on the part of growers and they are availing themselves of every opportunity.

In many of the Blue Grass counties an increased acreage of tobacco will be planted this season.

Just what the prospects of a wheat crop in Kentucky are is a matter of speculation. Wheat fields generally are very spotted and in some cases there seems to be little growth. The early break of spring has brought out many fields though and farmers in general are more encouraged than that they were some time back. If the good weather continues prospects may be viewed with more certainty.

Last June there were over 21,000 members in the pig clubs directed by the Department of Agriculture. This is almost double the number recorded on the first of January of that same year—a remarkable increase in only six months. The work of the pig clubs is looked after by W. F. Ward of the Bureau of Animal Industry.

Tremendous Sales—The Public's Answer

"Is my product right?" asks the manufacturer;
—"the most efficient, enduring construction?"
—"made of the best materials?"
—"by the most skillful workmen?"
And the public gives the answer—through sales.

The motoring public has given the answer to United States Tires—through sales
—sales increases—which are big—continuously big—and growing bigger;
—so big, in fact, that they are growing even faster than the amazing growth of the automobile industry.
That's the motoring public's answer
—that United States Tires—all five types—give supreme service.

United States Tires Are Good Tires

A Tire for Every Need of Price and Use.
"Nobby" "Chain" "Royal Cord" "Usco" "Plains"

United States Tubes and Tire Accessories Have All the Sterling Worth and Wear that Make United States Tires Supreme.

Stop Left Over Coughs.

Dr. Bell's Pine Tar Honey will stop that hacking cough that lingers from January. The soothing pine balsams loosen the phlegm, heal the irritated membrane, the glycerin relieves the tender tissues, you breathe easier and coughing ceases. Don't neglect a lingering cough, it is dangerous. Dr. Bell's Pine Tar Honey is antiseptic and pleasant to take, get it at your druggists to day. Formula on the bottle. 25c. No. 2

The practice of planting seeds and performing similar farm operations according to superstitious "signs" or according to the moon are not based on facts, according to the College of Agriculture. This statement is made following inquiries and the annual publication of such information in almanacs and other printed matter widely distributed during the winter and spring months. It will be a hard matter to convince some of our citizens that potatoes should be planted at any other time than in the dark of the moon.

According to Leon M. Eastbrook, chief of the Bureau of Crop Estimates, the acreage planted to early potato section of the South. In spite of the fact that the acreage is estimated to be 188,000 as compared with 161,000 in 1916—an increase of about 17 per cent. This estimate is based upon the reports to the Truck Crop Specialist of the Bureau of Crop Estimates from Virginia, North Carolina, South Carolina, Florida, Alabama and Texas, the principal early potato sections of the South. In spite of the high cost of seed, plantings are increased in practically all sections except in Eastern Texas.

If some farmers put the same interest in their farms as they do in other people's business, they would be better off.

Scott T. Miller, of Chillicothe, Mo., recently sold 11 jacks at auction at an average of \$301. None of these jacks were over two years old.

E. B. Welch, of Morton's Gap, Ky., sold an aged 15 hand jack for \$400; a four year old 16 hand jack for \$325 and two 14 hand mules at \$100 and \$165.

In Clark county, Columbus Regland bought a pair of mules for \$270, and N. A. Adams sold a pair of heavy mules to Arnold Brookshire for \$340. Heavy mules are in demand and the high prices are causing many sales to be made and work mules are being sold off very close.

Clear Your Skin in Spring. Spring house cleaning means cleaning inside and outside. Dull pimply skin is an aftermath of winter inactivity. Flush your intestines with a mild laxative and clean out the accumulated wastes, easy to take they do not gripe. Dr. King's New Life Pills will clear your complexion and brighten your eyes. Try Dr. King's New Life Pills tonight and throw off the sluggish winter shell. At druggists. 25c. No. 2

A WARNING TO THE PUBLIC.

BY ORDER OF THE BOARD OF HEALTH.

It is hereby ordered by the City Board of Health that the City Health Officer conduct a clean up campaign in the city of Richmond for a period of ten days beginning April 16th and continuing through April 26th.

It is further ordered that the said City Health Officer make a test of the milk and water supplied and used by the citizens of Richmond and require same to come up to the standard of perfection as fixed by the Board of Health.

It is also further ordered that a committee be selected to visit and carefully inspect all streets, alleys, lanes, commons, and premises within the limits of the city as provided by City Ordinance.

That all obstruction from the sidewalks, such as garbage cans, chicken coops, and merchandise allowed to remain outside which may be a nuisance or endanger the health of the public be removed.

That all groceries and fruit stores are hereby required to properly screen all vegetables or fruits from flies while being displayed for sale or otherwise.

That all persons having sewerage connection with surface pipes are hereby required to disconnect from same and arrange sanitary method of disposing of such refuse at once.

That all property owners or tenants are hereby required to properly screen all houses and privies owned or controlled by them, to remove and bury contents of privies and sprinkle lime every two weeks between April and November as required by the State Board of Health, to remove all hogs or pigs from the city and disinfect their pens and to remove all possible breeding places for flies and mosquitoes.

It is also hereby ordered that said City Health Officer be and is hereby instructed to at once carry out the orders of this board within the dates above specified.

Done and ordered by the Board of Health, this April 2nd, 1917.

W. F. HIGGINS,
Chairman City Board of Health.

Attest: B. H. Gibson, M. D.,
City Health Officer.

— BENEFICIAL TO DRINKING MEN —

Whether a man is a "moderate" or an excessive drinker, he finds that the Neal Treatment for the drink habit, by clearing his system of the poison of alcohol, gives him back the health he used to enjoy. Nerves become steady, complexion clears, appetite returns, he sleeps and he works naturally, he regains his self-control and his self respect. The Neal Treatment is beneficial to him physically and mentally. Yet the Neal Treatment takes only three days of medi-

cal treatment in pleasant surroundings, under the care of competent and friendly physicians and attendants. Come in any time, day or night, and find out more about the Neal Treatment.

Neal Institute, 601 Maple avenue, Avondale, Cincinnati, Ohio. Phone Avon 4020. Open day and night. Other Neal Institutes located at Columbus, Cleveland, Pittsburgh and Detroit.
